SYNOPSIS: Because of another briefing, the OLL/LD representative departed the meeting after 5 minutes. Before leaving, it was noted that Blau would be briefed on the [REDACTED] programs. On 12 March [REDACTED] called C/OLL/LD/Senate Liaison and mentioned that Blau in the course of the briefing had been invited to attend the annual [REDACTED] conference. Since [REDACTED] from around the U.S. [REDACTED] did not feel that it would be appropriate for Blau to attend. In a later conversation with C/SL, Blau decided that he probably should not attend.
